The South Carolina Court of Appeals

The State, Respondent,

v.

Shaneeka Monet Stroman, Appellant.

Appellate Case No. 2025-002564

ORDER

This appeal arises out of Appellant's convictions for malicious injury or trespass to real property and harassment (second degree) following a trial by jury in the magistrate's court. Her appeal to the circuit court was dismissed for failure to prosecute. The present motion before this Court is the State's motion to supplement the record to include all items designated by the State. Appellant filed a return objecting to the State's motion. After careful consideration, the motion to supplement the record is granted. The State's supplemental record on appeal is accepted as filed. The parties' final briefs are due to be served and filed within 20 days of the date of this order.
