Good Afternoon,

I just spoke with Mr. Tinsley to let him know my firm has not received a copy of his brief and supporting documents to date. We did receive the electronic copies today via his correspondence with the Court. He has agreed that our reply brief will be due 30 days from today as long as that is acceptable with the Court. I will try to file it as soon as possible, but given the delays with the mail, I wanted to make sure that this timeline was acceptable.

Sincerely,

Zachary J. Moulton
Attorney

I have attached copies of the initial brief and designation of matter, which I mailed out on August 13. I don't know what the problem with the delay is. I am writing in response to the letter dated August 20.

I was out of town last week.

Please let me know if I need to take any further action. Thanks.
