APPEAL

SC Court of Appeals

"Appellant" (A) appeals the Circuit courts Order "Denying defendant's Motion to Recuse William Douglas Richardson" (Richardson) and Order "Prohibiting the defendant from filing future Motions" in the Thirteenth Circuit, see (NAZI and MTR-WDR). Both were ordered the same day synonymously.

(A) is currently a Pro-se litigant forced by corruption of Civil Conspiracy. He feels as there is no other choice, "nobody will listen". Last time the judge R. Lawton McIntosh (McIntosh) refused (A) from filing motions was "because it was handwritten" and his, at that time counsel, pressured this. See (WGY-RLM) stating (A) "could no longer file or he would be held in contempt". (A) reported this to The Office of Disciplinary Counsel, striking an investigation, see (ODC-RLM-1). Nothing ever came of it, see (ODC-RLM-2). Now McIntosh just altogether says (A) cannot file just because.

Please NOTE, by (A) no longer able to file anything in the clerk of court where he is detained and accused, this has now (exhausted his remedies) in State court proceedings.

(A) filed a Motion to Recuse on the States lawyer (Richardson) for several reasons. Some of which is due to (Richardson) not seeking justice and justice alone, only vindictism. The two have history from a past case where individuals totally lied on (A) just to get him locked up and (Richardson) represented the state then, see Public Index Warrant NO. 2021A 233 021035(2-7). (Richardson) admitted defeat because (A) wanted to go to trial and (Richardson) did not. Thus this anger and resentment carried on to this.

For these very same reasons is why (A) filed the "Motion to Recuse" (Richardson), see. ~~(MTR-P-1,2)~~ (MTR-P-1,2).

I declare under the penalty of perjury that the 8-20-26 ~~Rules~~ following is True and valid ~~~~~ ①
