My apologies for sending this to the wrong email. Attached please find Respondent's Motion Requesting Permission for the Court to consider Respondent's Final Brief Outside the Deadlines. A check for the filing fee is being mailed to the Court with the Motion.

Additionally, counsel respectfully submits a letter confirming the mailing address as requested by Appellant, which I also confirmed previously by email.

Also, we do not object to this Court considering Appellant's final Reply Brief as Appellant is incarcerated and due to confusion surrounding the amendments to the Record on Appeal, which form the basis of Respondent's belated Final Brief as well.

Respectfully,

Sarah Timmons
