SC Court of Appeals

Dear Ms. Easley:

I am the self-represented appellant in Mustafa El Shabazz Bey v. South Carolina Department of Social Services, ALC Docket No. 25-ALJ-18-0423-AP. The matter is now pending before the South Carolina Court of Appeals as Case No. 2026-001884.

I respectfully request an electronic copy of the complete docket sheet or register of actions for the ALC matter, from its commencement through the August 20, 2026 Order of Dismissal. The docket sheet should identify every filing, order, notice, motion, brief, response, certificate of service, exhibit, attachment, Record on Appeal submission, and other document entered into or maintained as part of the official ALC record.

I also request copies of any filed documents that were not previously provided to me, including:

1. Every filing and attachment submitted by South Carolina DSS;
2. Every filing and attachment submitted by me;
3. All orders, notices, memoranda, and correspondence entered into the case record;
4. DSS's April 8, 2026 purported Record on Appeal, including its cover correspondence, certificate of service, and all enclosed materials;
5. Any amended or corrected Record on Appeal;
6. All filing dates, service entries, and document-identification information maintained by the ALC.

Please provide the documents electronically in PDF format. If copying or processing fees apply, please notify me of the amount before completing the request.

This request is needed so I can accurately organize and prepare the Record on Appeal for review by the South Carolina Court of Appeals.

Thank you for your assistance.

Respectfully,

Mustafa El Shabazz Bey
