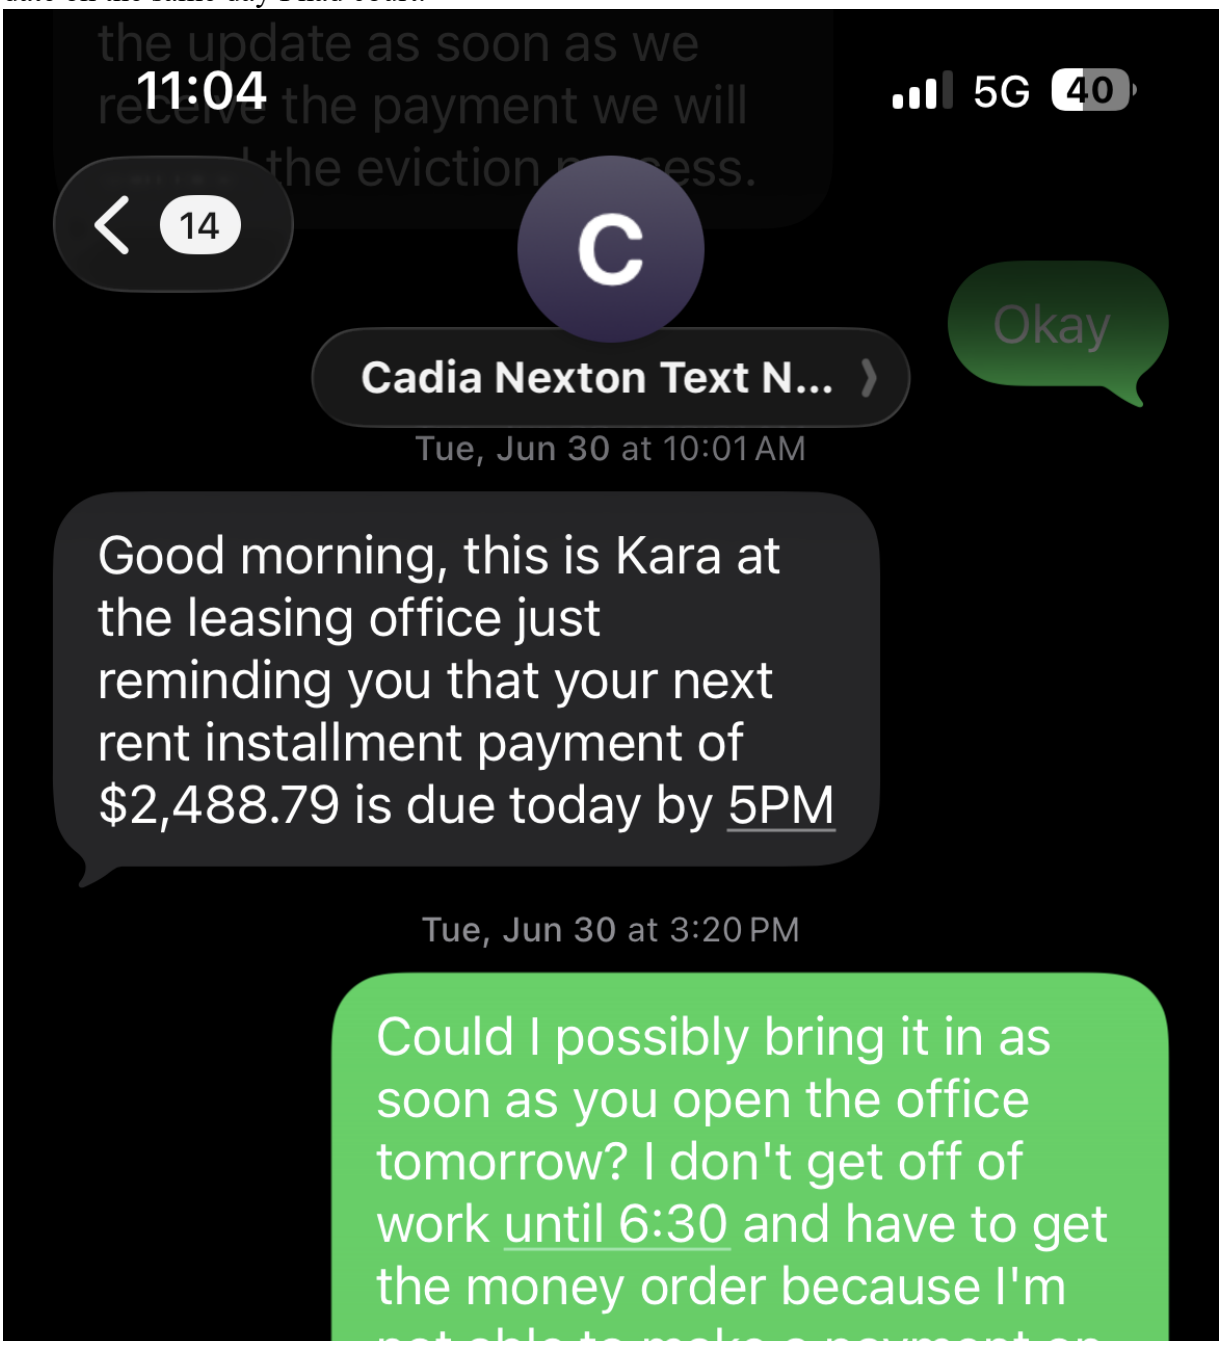
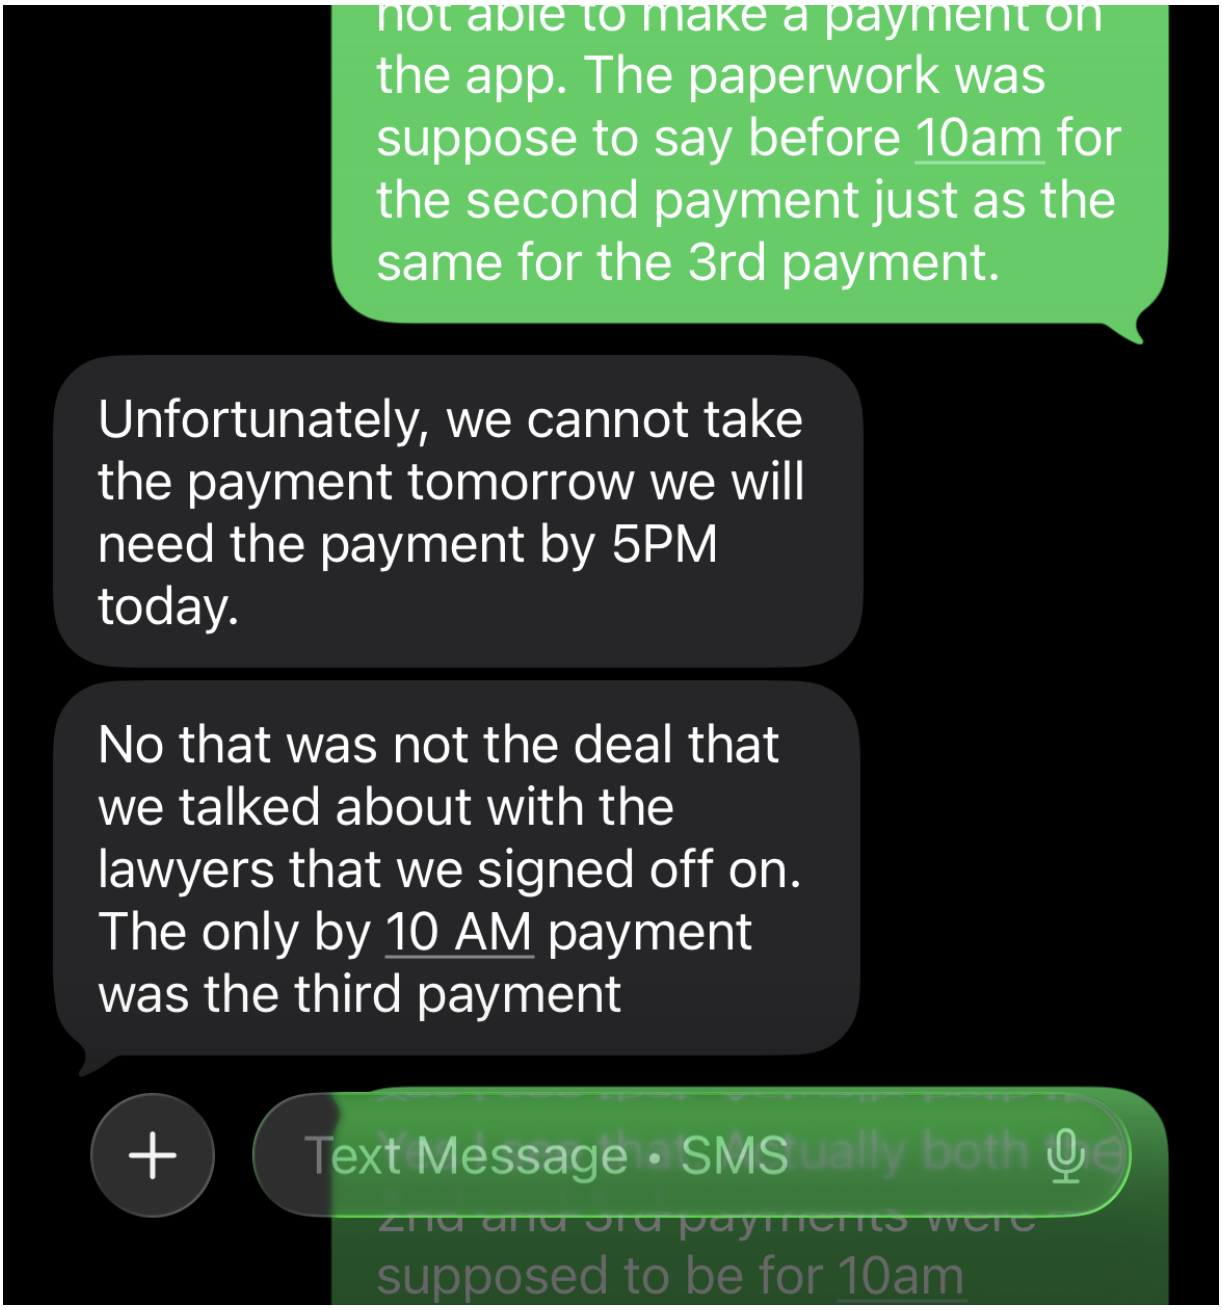
I'm filing an appeal and a motion to stay and these are the supporting documents. I even emailed Valita Goodman about me not being aware of court and getting my mail for my court date on the same day I had court.





not able to make a payment on the app. The paperwork was suppose to say before 10am for the second payment just as the same for the 3rd payment.
Unfortunately, we cannot take the payment tomorrow we will need the payment by 5PM today.
No that was not the deal that we talked about with the lawyers that we signed off on. The only by 10 AM payment was the third payment

Yes I see that. Actually both the 2nd and 3rd payments were supposed to be for 10am before the office is opened but I overlooked it. And it was set up that way because I work a late shift. Is there anyway I could make that payment online?

Unfortunately, we cannot accept payment online. We have to follow what the agreement states.

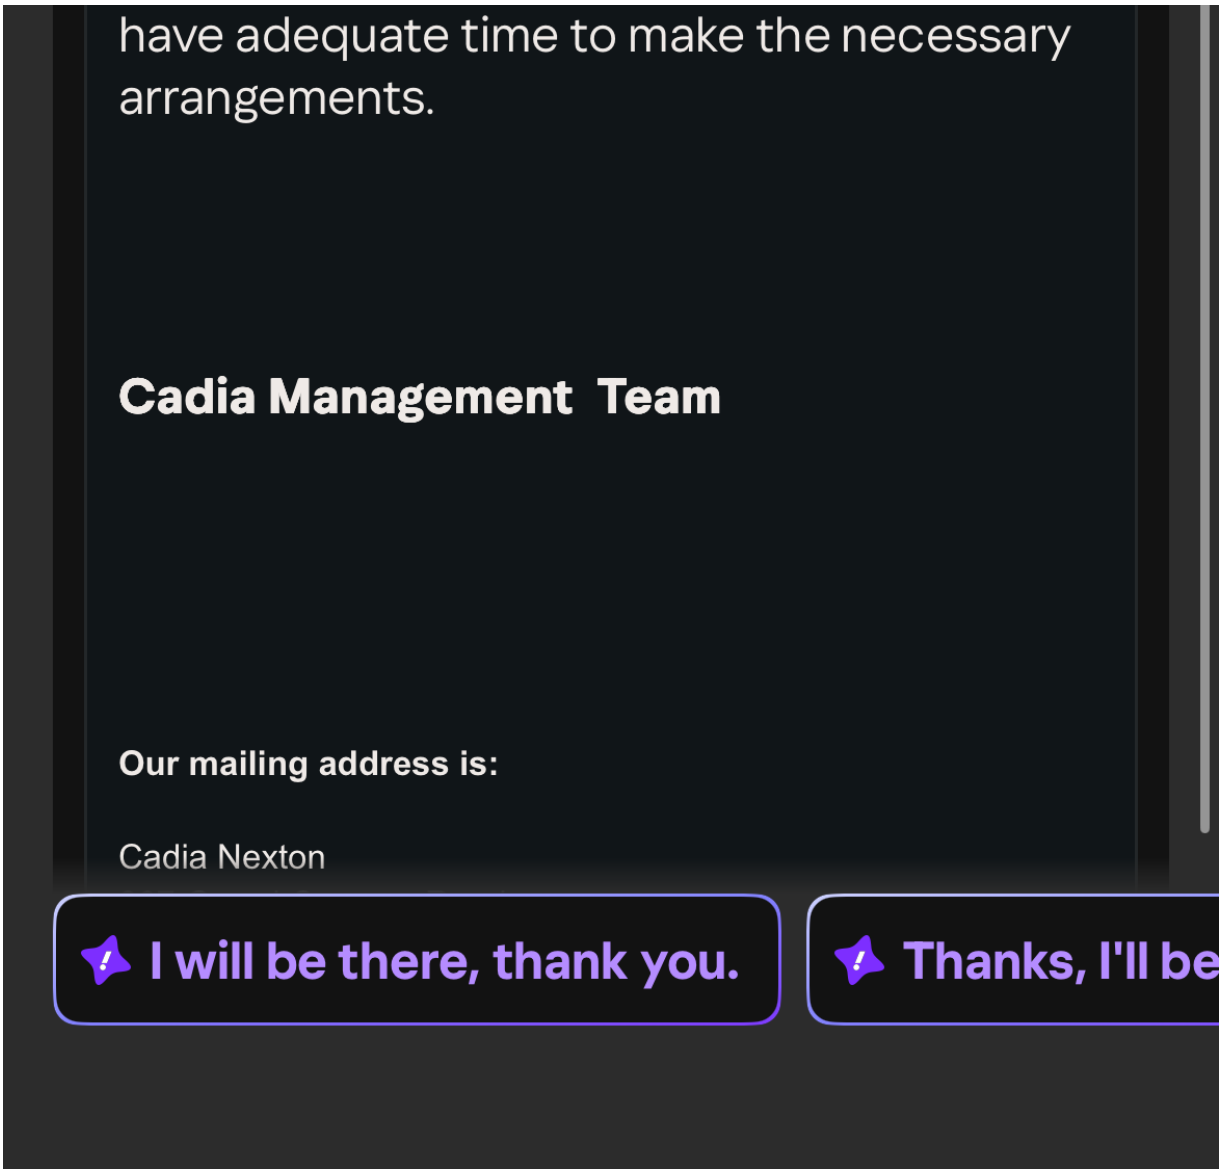
Good afternoon,
This is a courtesy reminder that your **scheduled set-out is tomorrow at 2:00 PM**.
Please make sure that **all personal belongings and items have been completely removed from the apartment by 2:00 PM**. Any belongings remaining in the unit at that time may need to be placed outside at the curb for pickup.
We wanted to provide this reminder, so you



have adequate time to make the necessary arrangements.
