TO: THE HONORABLE JUDGES OF THE SOUTH CAROLINA COURT OF APPEALS

COMES NOW Respondent Samet Corporation (“Respondent”), by and through its undersigned counsel, pursuant to Rule 263(b), SCACR, and moves for a second extension of thirty (30) days’ additional time to file/serve its initial brief and corresponding designation of matter to be included in the record on appeal.

Presently, by order of this Court filed August 17, 2026, the deadline for Respondent’s initial brief and designation of matter is today, September 4, 2026. On account of work-related and other time commitments, Respondent respectfully requests this deadline be extended by 30 days. Respectfully, Respondent believes this relief is consistent with the interests of justice and will not work any undue prejudice upon Appellant.

WHEREFORE, Respondent moves this Honorable Court to grant it an additional extension of 30 days’ time to file/serve its initial brief and corresponding designation of matter to be included in the record on appeal. With the extension requested herein, the new deadline for filing/serving its initial brief and designation of matter would be October 5, 2026, according to the undersigned’s calculations. Further, Respondent respectfully requests the Court hold the present deadline in abeyance until it acts upon this motion.
