Appellate Case No. 2013-000452

ORDER

Appellants filed a "Motion to Require Respondents to Comply with the Rules Regarding Designation of Materials for the Record on Appeal." This Court construes that motion as a request to strike certain designated matters, a request for Respondents to clarify their designations, and a request to require a certification by

counsel. After careful consideration, the motion is denied and Respondents' revised designation of matters is accepted along with its certificate of counsel.
