NOTICE OF CORRECTION AND CORRECTED CERTIFICATES OF SERVICE

Appellant Mustafa El Shabazz Bey, appearing pro se, respectfully submits this Notice of Correction to correct inadvertent clerical omissions concerning service information in Appellant's Brief and Appellant's Designation of Matter to be Included in the Record on Appeal filed on September 1, 2026.

1. The Statement of the Case in Appellant's Brief inadvertently retained a drafting placeholder requesting insertion of the date on which the Court of Appeals Notice of Appeal was served on Respondent and the Administrative Law Court.
2. The Notice of Appeal was received by the South Carolina Court of Appeals on August 21, 2026. The Certificate of Service accompanying that Notice states that the Notice of Appeal was served upon the South Carolina Department of Social Services and the South Carolina Administrative Law Court on August 22, 2026.
3. The Certificates of Service attached to Appellant's Brief and Appellant's Designation of Matter to be Included in the Record on Appeal inadvertently retained blank service-date fields and bracketed service-method choices.
4. Appellant's Brief and Appellant's Designation of Matter to be Included in the Record on Appeal were served upon Respondent, through counsel Paula Knox Brown, by electronic mail on September 1, 2026.
5. This filing is submitted solely to correct those clerical omissions and provide complete service information. Appellant does not seek to amend the issues presented, substantive arguments, authorities, or relief requested in the Brief, or the matters designated for inclusion in the Record on Appeal.
