

# The South Carolina Court of Appeals

The State, Respondent,

v.

Brenda Bratschi, Appellant.

Appellate Case No. 2012-211980

---

## ORDER

---

The State filed a motion requesting a fifth extension of time in which to file its initial brief and designation of matter. Within the motion, the State asserts that counsel requested an additional transcript on August 27, 2013. However, the Court was not copied on that request as required by Rule 207 of the South Carolina Appellate Court Rules (SCACR). Pursuant to Rule 207(a)(4), the Court has received notice from the Office of Court Administration that the court reporter was granted an extension of time until December 31, 2013, to complete the requested transcript. Thus, according to our records, the transcript should have been received. The State must update the Court within ten days of the date of this order regarding the status of the transcript. All timelines will be held in abeyance pending receipt of the transcript requested by the State. Accordingly, the Court will not take any further action on the State's motion for an extension.
