

The South Carolina Court of Appeals

The State, Respondent,

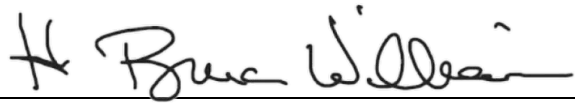

v.

Virdell Shanta Mercer, Appellant.

Appellate Case No. 2026-001475

ORDER

After careful consideration, we deny the motion to reinstate based on Appellant's failure to provide a sufficient guilty plea explanation. To the extent the motion to reinstate is construed as a petition to reconsider or rehear the dismissal, the Court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing.
