Dear Clerk of Court,

I received correspondence from the court today regarding the status of the transcripts that were requested in this matter. Please be advised that they were provided to me via email on August 19, 2026. That email was overlooked until receiving today's correspondence because the email address from which I am now writing (will@legalcarolina.com) was changed a couple of months ago in the AIS to my new email address of wmckibbon@aldridgepite.com. My apologies for the overlook, as I just discovered them as well.

For the purposes of this appeal, and so as not to create confusion with my colleagues or the Court, if it is suitable to all, I think it may be best to continue to use THIS email address for this case, and I will make sure that I am actively engaged in this address as well until the conclusion of this matter.

With kind regards,
Will McKibbon
