Columbia, SC 29211
Honorable Court:
Please find enclosed the following documents in support of Appellant's pending Renewed Emergency Petition for a Stay of Enforcement, filed in Case No. 2026-001570 (Shaftesbury Green Property Owners' Association, Inc. v. Cedric Javus Browne), on appeal from the Court of Common Pleas, Fifteenth Judicial Circuit, Horry County, C.A. No. 2025-CP-26-00500:
1. Affidavit in Support of Emergency Stay – Tender of Assessments and Discontinuance of Trash Service (notarized, file-stamped trial court filing, with Exhibits A through H)
2. Appellant's Objection to Proposed Sections A and H of the Draft Order and Request That They Be Stricken Prior to Signature (trial court filing in support of the motion to stay)
Both documents are filed in compliance with Rule 240(c)(3), South Carolina Court of Appeals Rules, and are submitted as supporting material to the pending emergency petition, pursuant to the rule's provision that where facts relied upon are not contained in the Record on Appeal, parties shall file affidavits and other documents in support of their positions.
The accompanying affidavit establishes material facts bearing upon the Court's consideration of Appellant's position regarding: (1) the tender of contested assessments prior to any enforcement action; (2) the discontinuation of trash collection service by the Association and the Association's failure to disclose this fact at the August 20, 2026 hearing; and (3) the defects in the proposed draft order's forfeiture language as set forth in the accompanying Objection.
These documents are filed in their trial-court format, consistent with South Carolina Rules of Civil Procedure Rule 10, as they are presented as supporting materials to an appellate emergency petition rather than as new appellate pleadings.
Respectfully submitted,
Cedric Javus Browne
