SC Court of Appeals

THE STATE OF SOUTH CAROLINA
In The Court of
Appeals

APPEAL FROM CHARLESTON COUNTY
Court of General Sessions

Roger M. Young, Sr., Circuit Court

Judge

Case No. 2023GS1003220-3222

State of South Carolina,

Respondent,

v.

Michael Whitlock,

Appellant.

RECORD ON APPEAL

I, the undersigned, hereby certify that I served the foregoing record on appeal on the state as address below and via email. The served record designated the full transcript, which is approximately 1,000 pages, as part of the record, but the undersigned is requesting that it be transmitted electronically, given that having multiple copies of it printed would be very expensive and would likely be beyond my client's financial means. However, I've reached out to the court seeking guidance on this issue and will, of course, follow whatever guidance the court provides.
