Dear Ms. Simmons:

Upon reviewing your notice of appeal, the following deficiency or deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter, or this matter will be dismissed:

- The caption/title does not comply with Rule 267(a), SCACR. Specifically, the judge's name was not provided, the caption does not indicate who the appellant and respondent are, and the contact information for the respondent was not provided on the notice of appeal.
- You must provide proof of filing with the Dorchester County clerk of court.
- If you wish to appeal the August 26, 2026, order included with the notice of appeal, you must file an amended notice of appeal.
- If you wish for the Court to consider a motion to stay, it must be filed separately from the notice of appeal.

Very truly yours,

Catherine S. Harrison, deputy
