Dear Mrs. Howard, In Re: 2026-001101

I am writing to inform you that I have received a Correspondence from Legal Eagle with a price of what my transcript will cost. At the moment, I do not have my phone privileges but Sunday night I sent out a letter to my wife with the information so that the money order can be sent. As soon as I receive the transcript I will send it directly to your office.

Thanks for your assistance in this matter.

Respectfully
Larry White
