SC Court of Appeals

Re: Jeffrey A. Ross v. L&D Auto Sales, LLC
Appellate Case No. 2026-001478
Status of Transcript and First Request for Extension of Time to Serve
Initial Brief and Designation of Matter

Dear Ms. Kitchings:

I write on behalf of Appellant in response to the Court's letter of September 10, 2026 regarding the status of the transcript.

Two hearings are the subject of this appeal. The transcript of the March 12, 2026 hearing was in my possession before the Notice of Appeal was filed. The transcript of the June 25, 2026 hearing, the last transcript in this matter, was received on Friday, September 4, 2026. Thirty days from that date falls on Sunday, October 4, 2026, so Appellant's initial brief and Designation of Matter are currently due Monday, October 5, 2026.

Appellant respectfully requests a thirty (30) day extension of that deadline, through and including Wednesday, November 4, 2026. The extension is needed due to unavoidable deadlines in other cases before the Circuit Court and this Court, and would give counsel adequate time to brief the several issues raised on appeal for the Court's review. This is Appellant's first request for an extension of the briefing deadline.

The fifty dollar (\$50.00) filing fee is enclosed with the mailed copy of this letter.

All counsel of record are copied on this correspondence. Should the Court have any questions or require anything further, please do not hesitate to contact me directly.

Sincerely,

s/ Jesse Sanchez
