The South Carolina Court of Appeals

Torgues Mingo, Appellant,

v.

Flats at Haywood, Respondent.

Appellate Case No. 2026-001623

ORDER

On July 23, 2026, Appellant filed a notice of appeal from a circuit court order denying his motion to stay a circuit court order—which affirmed the magistrate court's ejectment of Appellant—that is on appeal in Appellate Case Number 2025-002298. On July 24, 2026, Respondent filed a motion for a partial dismissal and for sanctions. Appellant did not file a return.

On August 21, 2026, this court dismissed the appeal in Appellate Case Number 2025-002298; remittitur was sent on September 9, 2026.

After careful consideration, the appeal is dismissed as moot. *See Sloan v. Greenville Cnty.*, 380 S.C. 528, 535, 670 S.E.2d 663, 667 (Ct. App. 2009) ("A case becomes moot when judgment, if rendered, will have no practical legal effect upon the existing controversy."). Remittitur will be sent as required by Rule 221(b) of the South Carolina Appellate Court Rules.
