Re: *Columbia Venture, LLC v. Richland County*
Appellate Case No. 2013-001067
HSB File No. 11404.0008

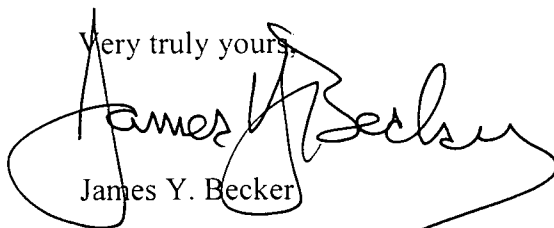

Dear Mr. Shearouse:

Pursuant to Rule 210, SCACR, the Record on Appeal in the above-referenced matter is due to be served on Respondent Richland County on January 22, 2014. On behalf of the Appellant, Columbia Venture, LLC, we are in the process of preparing the Record on Appeal, which numbers approximately 11,795 pages and which will amount to approximately 25 bound volumes for each set of the Record.

Given both the physical volume of the Record on Appeal in this matter, the appellant's interest in saving printing costs, and the Court's own emphasis on electronic records and electronic case management, we would like to explore whether the Court would entertain having some or all copies of the Record on Appeal filed or otherwise made available in electronic format, either on optical disks or through an internet link. The internet link might be especially attractive, as it would provide access to the full Record from any computer with internet access. If the Court has an interest in discussing this proposal further, we would be happy to do so.

Counsel for Respondent has advised us that Respondent does not object to our proposal to the Court.

Very truly yours,

James Y. Becker

The Honorable Daniel E. Shearouse
