Appellant,

Appellate Case No. 2026-001915

v.

Lakecrest Apartments,
Respondent.

APPELLANT'S MOTION TO
CLARIFY EMERGENCY STATUS
AND FOR IMMEDIATE
CONSIDERATION OF MOTION TO STAY

RECEIVED

Sep 14 2026

SC Court of Appeals

Appellant Jonathan Hargrove, appearing pro se, respectfully moves this Court to clarify the status of Appellant's pending emergency request and to give immediate consideration to Appellant's Motion to Stay Execution. In support, Appellant states as follows:

1. On August 28, 2026, Appellant filed Appellant's Motion to Stay Execution in this appeal.
2. Appellant also submitted an emergency motion/request for emergency consideration because immediate action is needed to prevent enforcement of the judgment, including eviction or execution, before the Court has an opportunity to rule on Appellant's Motion to Stay Execution.
3. Appellant's emergency filing appears to have been docketed with or under Appellant's original Motion to Stay Execution rather than separately identified as an emergency request.
4. Appellant respectfully requests clarification that the Court has received the emergency request and will consider it as an emergency request in connection with the pending Motion to Stay Execution.
5. Emergency consideration is necessary because enforcement of the judgment may result in immediate eviction, removal of Appellant's property, loss of housing, and other harm that may not be fully remedied after enforcement occurs.
6. Appellant is acting promptly and will comply with applicable filing and service requirements. Appellant has served or will serve counsel for Respondent, Joshua R. Henke, Esq., with this motion and related documents.

WHEREFORE, Appellant respectfully requests that this Court:

- A. Clarify that Appellant's emergency request has been received and remains pending for emergency consideration;
- B. Grant a temporary stay of execution, including any eviction, lockout, writ of ejectment, removal of Appellant's property, or other enforcement activity, pending the Court's ruling on Appellant's Motion to Stay Execution;
- C. Alternatively, establish an expedited response deadline and issue an expedited ruling or schedule an expedited hearing; and
- D. Grant such other and further relief as the Court deems just and proper.

Dated: September 14, 2026.
