APPELLATE CASE NO. 2026-000487
JOHN PETITION FOR WRIT OF CERTIORARI

S.C. SUPREME COURT

I am hereby submitted a petition for this writ of certiorari citing that this appeal is in Merit too moves. The Records of this court erred in denying Relief where counsel failed to ensure Petitioner understood that the Plea is invalid when it is entered in ignorance of his direct consequences since the Petitioner's guilty Plea was not knowingly intelligently and very much voluntarily and by his understood by his counsel that he received credit for the time spent on monitored house arrest and discretionary with the court and my counsel never asked for that I was not guaranteed to receive credit for any of the 932 day he was on monitored house arrest and where a guilty Plea is not invalid when it is entered in ignorance of its direct consequences. Since Petitioner's guilty Plea was not knowingly intelligently and voluntarily tendered?? ISSUE PRESENTED he was on strict house arrest for 2 years before left out to go to work on a job and before he when went out to the community to work on a job and placed back in jail prior to his entering the guilty Plea total of 1,637 days of either physical or house arrest custody.

Regarding the house arrest credit
I Petitioner request I be given the house
arrest credit for found My Counsel
Ineffective assistance of counsel and
Very Much Conflict of Very Much Interest.
and This COURT have not the opportunity
to Review the Records Julie J Armstrong,
Clerk of COURT that I have moves to have
Helene Dorell of my case and be Relieved as
counsel Johnson v. State back in 2021
and 2023. Very Much Prejudiced.

The Plain language of the Statute Shows
that the award of credit for time spent
on Monitored house arrest is wholly
discretionary with the sentencing Judge.
Petitioner took the Plea because his
understanding was that I would receive
not could receive the house arrest credit
the did explained but testify She didn't
prior to Petitioner entering his Plea and
in fact the only testimony She did on
record is that She explained the house
arrest credit it was discretion after
Petitioner was already in Prison. 24-13-40
in every case in computing the time served
by a prisoner full credit against the Sentence
must be given for time served prior to trial
and under house spent under monitored The Plain
language of the Statute and Conflict of
Interest. And to find of fact And conclusions
of Law ??.
