Grand rising. We just received an email stating that our payments for rent will no longer be accepted in the office. As you all are aware, my case against Rock Pointe is still ongoing and is court ordered for me to pay rent to the office no later than the 5th of every month. Therefore, my question is, how do you all expect me to pay my rent if it's no longer being accepted in the office? Online is not an option because the amount showing is definitely not what I owe. I cannot do moneygram either because it has to be connected to the online account. There are and always have been false charges on my account since day 1 of the false claiming shenanigans. I reached out as soon as the illegal eviction happened on March 11, 2024 and nothing was done about the falsified charges. Now I'm reaching out again weeks before the change in October to get a better understanding of what you all expect me to do when the rent is due. I've attached the message that was sent out to the tenants from our property manager.

SC Court of Appeals

6. ****Payment Procedures****: As previously notified, payments will no longer be accepted in the office. Starting in October, any payments left in the drop box will be returned. If you are not yet set up on the resident portal, please visit the office for assistance. You can also sign up for Flex or use MoneyGram for rental payments.

Thank you for your cooperation in keeping our community a pleasant place to live. If you have any questions or need assistance, feel free to reach out to the office.

Wishing you a wonderful day!

Best regards,
