**MOTION TO COMPEL APPELLANT TO ORDER TRIAL TRANSCRIPT
AND TO STAY BRIEFING DEADLINES**

Pursuant to Rules 207(a)(1) and 240 of the South Carolina Appellate Court Rules, Respondent, SKA Consulting Engineers, Inc., moves the Court to order Appellant, The Oaks at Riverside Property Owners Association, Inc., to order and obtain the trial transcript of the proceedings below and to stay all briefing deadlines until the trial transcript is received. In support of this motion, Respondent shows the Court as follows:

On or about December 6, 2024, Appellant ordered the trial transcript for the trial held July 22-26 and 29-31, 2024 and the post-trial hearing transcript held on September 13, 2024. Respondent ordered copies of these transcripts on December 10, 2024. See Ex. A (Transcript Orders). The post-trial hearing transcript held on September 13, 2024 has been received and is not at issue.

The trial transcript has not been fully prepared or received by either Appellant or Respondent. The original court reporter for the trial, Kymberlee Williams, was, to the undersigned's understanding, on medical leave and could not complete the trial transcript. The preparation of the trial transcript was then assigned to Legal Eagle. See Ex. B. (Affidavit of Ganjehsani, ¶ 4.).

On September 8, 2026, the undersigned, Carmen V. Ganjehsani, spoke via telephone to Kevin Dehlinger, the Director of Operations for Legal Eagle, regarding the status of the trial transcript. Id. at ¶ 3. He advised that his office had begun preparing the trial transcript, but in preparing the transcript for day one and day two of the trial, discovered there were around seventy inaudible parts of the transcript and instances of cross-talk. Id. at ¶ 5. Mr. Dehlinger further advised the undersigned that he spoke with Appellant's counsel regarding the issues surrounding day one and day two of the trial

transcript, and Appellant's counsel advised Mr. Dehlinger that Appellant only needed the portions of the transcript regarding the jury charges and the verdict. Id. at ¶ 6.

Mr. Dehlinger informed the undersigned that his office prepared the portions of the transcript regarding the jury charges and the verdict and that those portions of the transcript were clear and audible. Id. at ¶ 7. Because Appellant's counsel advised Mr. Dehlinger that these were the only portions of the trial transcript needed, Legal Eagle did not attempt the transcription of any other day of the eight-day trial other than days one and two. Id. at ¶ 8. Mr. Dehlinger confirmed to the undersigned that his office did have tapes for each day of the trial and could have these tapes transcribed even though portions of the tapes may be inaudible or unclear. Id. at ¶ 9.

Under Rule 207(a)(1), SCACR, "appellant must order a transcript of the entire proceedings below" unless the parties otherwise agree in writing. Respondent has been made aware that Appellant only intends to obtain the transcript of the jury charges and the verdict from the eight-day trial.

Respondent understands that portions of the trial transcript may be missing or unclear. Nevertheless, it is Appellant's obligation under the South Carolina Appellate Cour Rules to order and obtain the transcript of the proceedings.¹

Respondent understands that Appellant's primary argument on appeal is the circuit court's order granting Respondent's motion for setoff. Whether setoff is proper depends on whether funds previously paid by a settling defendant were paid to

¹ Respondent notes that there is a significant cost difference between the original transcript Appellant is required to order and obtain versus a copy of the prepared transcript. See Rule 607(h)(1)(A), SCACR (providing for a "fee of Four Dollars and Twenty-Five Cents (\$4.25) per page for producing an original transcript") and Rule 607(h)(1)(B) (providing for a "fee of One Dollar (\$1.00) per page for furnishing a copy of a previously prepared transcript").

compensate the same plaintiff on a claim for the same injury. Smith v. Widener, 397 S.C. 468, 471-72, 724 S.E.2d 188, 190 (Ct. App. 2012). This depends on injuries alleged in the pleadings and the evidence presented at trial. The trial transcript is necessary to have a record of the evidence presented to the jury on Appellant's injuries and damages.

Therefore, Respondent requests the Court to compel Appellant to order and obtain from Legal Eagle the entire transcript of the trial proceedings to the extent available from Legal Eagle with the understanding that some portions may be inaudible or unavailable. Respondent also requests the Court to stay all pending briefing deadlines pending a ruling on this motion and pending the receipt of the trial transcript.

Respectfully submitted,

/s Carmen V. Ganjehsani
