In Re : The Courts Supervisory Powers
: Administration of Justice
: Constitutional Due Process
: Appearance of Impropriety
: Particularized Proof of Irregularities
in the grand jury process

(Enclosure : Exhibits A and J)

Honorable
Supreme Court Justices,

September 14, 2026
Appellate Case No. 2024-001521

Good morning, I'm writing to Honorable Justices to ask that the Court utilize its Supervisory Powers to dismiss indictments and charges against Mr. Roberts, as the Administration of Justice has been tainted by prosecutorial misconduct resulting in Intentional Deception of the Court. Involved is a question of fundamental fairness rising to the level of constitutional due process which cannot be brushed aside. Mr. Roberts was able to discover that there was no convening of the State Grand Jury on April 12, 2016 (see enclosed Exhibits A and J); prosecution suppressed exculpatory favorable evidence of this fact in clear violation of Brady and Mr. Roberts' right to a fair trial. Mr. Roberts contends that any further or a continued prosecution of this case would not serve the public interest nor judicial economy and would be in strict conflict of established Supreme Court of the United States precedents regarding Due Process of Law and the absence of Jurisdiction to proceed in any cause. Prosecutorial malfeasance deserves sanctions. The appearance of Impropriety is evident in that (1) the irregularity substantially influenced the decision to indict, or (2) there is grave doubt that the decision to indict was free from the substantial influence of such irregularity as the State Grand Jury did not exist as a body on dates of indictments as evidence by this very Court (see Enclosure). The alleged defect in the grand jury process lead to legally deficient charges. The State Grand Jury's role had been usurped and prosecution suppressed this information. Concededly, it would have been a denial of due process if the prosecutor had obtained a conviction by the intentional suppression of material exculpatory evidence of the usurpation of the grand jury's independent role.

With Respect, I Am
Mr. Emory W. Roberts Jr.

Dear Mr. Roberts:

Your inquiry has been received by this office. The convening of the State Grand Jury is not dependent upon a term of General Sessions court and often does not meet at the same time as General Sessions terms. You are requesting a transcript from State Grand Jury proceedings. This is to advise that there is no court reporter assigned to record Grand Jury proceedings, and therefore, there is no transcript available.

I am sorry that we are unable to assist you further.

Sincerely,

Desiree Allen

Dear Mr. Hunter:

This is in response to your letter that we received on September 6, 2018, requesting information so that you might contact the Court Reporter who covered the April 12-13, 2016, meeting of the State Grand Jury. Please note that our records do not show that the State Grand Jury met that week, however, Judge Clifton Newman who you mention in your letter was in Richland County that week. His Court Reporter was Keshia Reed. Ms. Reed can be contacted at PO Box 12190, Florence, SC 29504-2190. As you requested, we have enclosed a copy of your letter to us.

Sincerely,

Staff Attorney/sdw
