Trial Court Case Nos. 2019GS4700023

ORDER

The Court has received Respondent's correspondence requesting to consolidate the briefing schedule. After careful consideration, Respondent's request is granted. Respondent's initial briefs and designations of matter in all three appeals shall be

due by October 19, 2026. Pursuant to the order of the Supreme Court of South Carolina dated March 18, 2009 (https://www.sccourts.org/media/courtOrders/HTMLFiles/2009-03-18-01.htm), any further extension request must be based on a showing of good cause.

We anticipate the parties will file separate briefs in these three matters. However, unless there is an objection from Appellants, the Court will accept a single record on appeal containing all matters designated by the parties in each of the three appeals.
