Good morning

I am following up on the Court's July 15, 2026 letter regarding the November 2026 term of court.

Election Day is Tuesday, November 3, 2026. I had hoped to serve again as a poll manager that day in Charleston County, but I would not be able to do so if oral argument in this matter is scheduled for that date.

C-Track currently shows the case status as "On Roster (Oral Argument)." I would appreciate any information the Court is able to provide regarding whether this matter may be scheduled for oral argument on November 3.

This is not a request to continue oral argument or move the case to a later term. We remain ready and available for oral argument during the November term, including the other dates identified by the Court.

I am simply trying to determine whether I may commit to serve as a poll manager on November 3.
