Good afternoon,

I am writing to update you regarding my appeal in the above-referenced matter.

The \$250 filing fee check was mailed by USPS today, September 17, 2026, to:

South Carolina Court of Appeals
P.O. Box 11629
Columbia, SC 29211

RECEIVED
Sep 17 2026
SC Court of Appeals

I also spoke with the Court by telephone today and was advised that the case manager would be notified.

I also requested the transcript within the applicable deadline. The transcript request was submitted electronically on September 9, 2026, and I requested a cost estimate/quote and payment instructions. I am currently awaiting the transcript cost information.

I am providing this update to ensure the record reflects that both the filing fee payment and transcript request have been timely addressed.

Thank you.
