Respondent/Attorney for Respondent

I am appealing the decision
of the judge based on the fact
that I was denied for a jury
trial by Judge Becker. I was
denied to have a jury trial again.

I appealed it again and was
still denied. I was told again
I was denied, and should have
been handled in magistrate
court, but I was told that I
was going to be executed. The
apartment was never fixed,
the heat doesn't work, A/C

Doesn't work, ceiling never been
fixed, roach infested.

I pay \$1,600/mn for rent. Rent
was late because of emergency
with daughter. Rent was due on
that Fri. day I paid it that Monday
(Naked Drop Box) and he would
accept it. I have documentation
by money order receipts. I
agreed him for the reason
and was not given one. I'm
asked for significant time to
move out. I close out the

house on Sep 23, 2014, will
be over in 15 days. That is what
I tried to tell Judge Becker. The
only reason why I wanted to
buy her was to not have
an conviction on my credit
that would stop me from
buying the house.

I am writhing and petrified
the court because I feel like
Judge Becker was ~~for~~
for 25 years to avoid me (Murray Thomas)
and was laughing with Mr. Stone
