Appellate Case No. 2013-001839

ORDER

Appellants filed a third request for an extension of time for filing the initial brief and designation of matter, asking the deadline to be extended for 15 days to January 4, 2014. Two Respondents filed a return opposing the request with a valid explanation of prejudice resulting from any further delays. Appellants filed the brief and designation of matter before the court acted on the motion for extension.

We have considered all arguments made in the motion and in the return, and we accept both documents for filing.
