Fort Mill Housing Authority Respondent,

V

Lakeisha Miles Appellant.

Motion for permission to order transcript out of time/online error

I, Lakeisha Miles, Ask the Court for an order allowing me permission to order the transcript of the proceedings outside of the time. In support of this motion, I respectfully state as follows:

I am the Appellant in this matter and am appealing the decision involving Fort Mill Housing Authority. I received notice from the Court indicating that the time for ordering the transcript had expired and that I must either provide proof that the transcript was timely ordered or file a motion requesting permission to order the transcript outside of the filing deadline. I also want to mention that I was personally present and participated in the hearing; however, I was informed there was no court reporter present during the hearing to prepare an official transcript with neither court hearing(magistrate court or circuit court). I was therefore unable to order a transcript from a court reporter at the time of the hearing, also online website wasn't working only received error messages multiple of times. Once asked to provided information in regards to transcript due to online error the court assistance stated "that was out of their jurisdiction." I ask that the Court allow me to order the transcript out of time and provide me with the opportunity to immediately make the necessary arrangement due to no court reporter and transcriptionist error.
