

The South Carolina Court of Appeals

Linda Hartley, Appellant,

v.

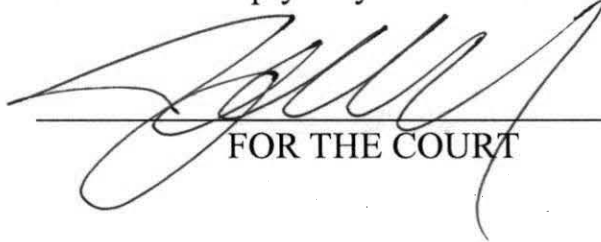

US Trust National Association, Respondent.

Appellate Case No. 2026-000671

ORDER

On July 13, 2026, we dismissed this appeal for failure to pay the notice of appeal filing fee. On July 22, 2026, Appellant paid the filing fee and filed a "motion for attorney." After careful consideration of Appellant's July 22, 2026 motion, which we construe as a motion to reinstate, we reinstate the appeal for curing the filing fee deficiency for which this appeal was dismissed. To the extent Appellant's motion seeks a ruling on the merits of the case, we deny the motion as premature.

On July 31, 2026, Respondent filed a motion to dismiss. After careful consideration, we deny the motion to dismiss. Within ten days of the date of this order, Appellant shall both make satisfactory arrangements for payment of the transcript as required by Rule 207, SCACR, and shall provide this court with notice on the status of procuring the transcript. Thereafter, Appellant must provide this court with written status updates regarding the progress of procuring the transcript every thirty (30) days. Failure to comply may result in dismissal of the appeal.
