

The South Carolina Court of Appeals

Portfolio Recovery Associates, LLC, Respondent,

v.

Rhonda Chambers, Appellant.

Appellate Case No. 2026-000231

ORDER

Respondent filed a motion to strike Item #16 in Appellants' designation of matter. Appellant filed a return, opposing Respondent's motion but not disclosing or providing the document(s) Appellant intended to include in the record on appeal for Item #16. This court requested Appellant provide a copy of the documents Appellant intended to include and the court received the documents on September 14, 2026. Respondent was afforded the opportunity to respond and maintained the documents Appellant provided as Item #16 should be struck. After careful consideration, we deny Respondent's motion to strike. However, should Respondent so choose, Respondent may amend their initial brief within fifteen days of this order to include arguments as to the documents included as Appellant's designation of matter Item #16.
