The South Carolina Court of Appeals

The State, Respondent,

v.

Nathan Giles Thomas, Appellant.

Appellate Case No. 2026-000216

ORDER

On September 4, 2026, Appellant filed a motion to hold the appeal in abeyance pending receipt of a corrected trial transcript. Respondent filed a return, explaining it had no objection to the appeal being held in abeyance pending resolution of the transcript challenge but taking no position as to any other assertions in the motion. Appellant did not file a reply.

After careful consideration, we grant the motion to hold the appeal in abeyance. Appellant shall provide an update to this court every thirty days until Appellant notifies this court the corrected transcript has been received.
