Re: Enclosures for Filing Purpose
REPEAT MAILING OF PREVIOUSLY REQUESTED Rule 243(c), SCACR
Explanation
Kevin Harbin v. State of South Carolina and South Carolina
Department of Corrections
Appellate Case No. 2026-001792

Dear Madam Shealy:

Per your letter dated September 14, 2026, which I received yesterday, I am enclosing FOR THE SECOND TIME a copy of the my previous filing, which was sent in direct response to Patricia Howard's earlier correspondence dated August 14, 2026. Very clearly, your office is un-necessarily duplicating the same work flow. I have ALREADY COMPLIED WITH THE EARLIER REQUEST of Patricia Howard. In relation thereto, I note the following facts:

1. On August 31, 2026, I approached the Allendale Correction Institution mailroom; and utilized the United States Postal Service Domestic Mail Receipt System (Green Card), to mail to the South Carolina Supreme Court, Clerk, Patricia A. Howard, the Rule 243(c), SCACR, Explanation on Behalf of the Petitioner; and
2. The United States Postal Service assigned to that item of mail the tracking number: #9590-9402-8659-3244-6490-46; and
3. The United States Postal Service further assigned an "Article Number (Transfer from Service Label) number of : # 9589-0710-5270-3382-3623-29 (PS Form 3811) for this mailing; and
4. The United States Postal Service System records clearly show, according to Allendale Mailroom Supervisor, that an employee from YOUR OFFICE signed for and received this item of mail on SEPTEMBER 4, 2026.

Yet, on September 14, 2026, you are in the dark as to this official, verified mailing, and verified receipt of my mailing per the first time it was requested by Patricia Howard. I respectfully request that I not be asked un-necessarily to do what I have ALREADY DONE THE FIRST TIME I WAS REQUESTED TO DO.

Therefore, I pray this SECOND MAILING resolves this matter in your mind, and puts the matter to rest.

Kindest Regards,

Kevin Harbin
