Good afternoon,

Thank you. However, the response below does not confirm the current status of the deficiencies.

Please confirm whether the Court of Appeals' records presently show that **all deficiencies have been satisfied in both my Lakeview appeal and my Human Affairs appeal, with no further corrective action required from me.**

A simple “yes” or “no” confirmation will be sufficient. If your office cannot provide that confirmation, please advise whom I should contact to obtain it.

Thank you.

Respectfully,

Good afternoon,

Thank you for confirming receipt of my filing and providing the stamped copy.

I am following up because my specific question was whether the outstanding deficiencies in both my Lakeview case and my Human Affairs case have been satisfied.

When I visited the Court on September 22, 2026, Jacqueline advised me that the deficiencies in both cases had been satisfied.

Would you please confirm whether there are currently any outstanding deficiencies or other actions required from me in either case?

Thank you.

Respectfully,
