Re: CMR America v. Don's Car Crushing
Appellate Case No. 2013-002463
Case No.: 2012-CP-08-3405
YCR File: 14977-20120962

70874

Dear Ms. Kitchings:

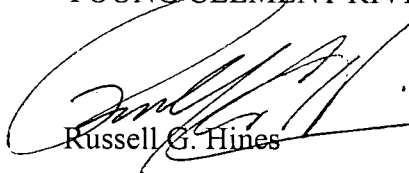

On behalf of the Respondent, CMR America, and pursuant to Rule 263(b), SCACR, I hereby respectfully request a 30-day extension of time to file/serve the Initial Brief of Respondent and the Respondent's Designation of Matters to be Included in the Record on Appeal in the above-referenced appeal. Our firm's check in the amount of \$25 is enclosed to cover the cost of this request.

The present deadline is today, January 3, 2014, and I ask that the Court hold the present deadline in abeyance until it acts upon this request. This request is made in light of work-related and other time commitments, and I believe it to be consistent with the interests of justice and not unduly prejudicial to the Appellant. By my calculations, with this extension, the Respondent's initial brief and designation of matters will be due on or before February 3, 2014. By copy of this letter, I am notifying opposing counsel of my request for an extension. If a more formal motion is required, please do not hesitate to let me know.

With best wishes and kindest regards, I am

Sincerely,

YOUNG CLEMENT RIVERS, LLP
