Re: Joel Ndunda v. Brandi Pfeil, et al.
Appellate Case No. 2026-000211
Status of Pending Motions and Initial Brief Deadline

Dear Clerk Kitchings:

I am the pro se Appellant in the above-referenced appeal. I write to respectfully request confirmation of the current deadline for Respondents' Initial Brief and designation of matter to be included in the record on appeal. The deadline was originally set as July 22, 2026, by order of this Court filed June 25, 2026. As of today, no Initial Brief has been filed against that date or against either later date proposed by Respondents, August 21, 2026, or August 31, 2026.

The Court's Order filed September 18, 2026, granted Respondents' three motions to extend the deadline for their return to my Motion for Summary Reversal and Vacatur, accepted that return as filed, and denied the motion. If it's possible, could you please confirm whether those three extensions include, or are separate from, the following two motions, as I have not received any order specifically disposing of either:

1. Respondents' Second Motion for Extension of Time to File/Serve Initial Brief, filed July 21, 2026; and
2. Respondents' Motion to Stay Deadline for Initial Brief of Respondents, or, Alternatively, for Extension of Deadline to August 31, 2026, filed August 21, 2026, to which I filed a Return in Opposition on August 25, 2026.

Could you please also advise the current deadline for Respondents' Initial Brief?

Thank you.

Respectfully,

s/ Joel Ndunda
