Dear Debbie:

Bob Dudek asked me to provide you with an update on the Marion Bowman appendix. Attached is a list of discrepancies between the Appendix and Alvin Coker's original file. Al Simon prepared this list.

Our plan is to substitute clean pages from what Mr. Simon found into the Appendix. However, before we can do that, we need to compare what Mr. Simon got from Alvin Coker and what was filed with the clerk of court. That will, of course, necessitate a trip to the courthouse and a lengthy session examining and comparing the documents. Bob and I plan to go to St. George and review these documents as soon as possible. As you know, both of us are working on the Curtis Simms case at the moment which is to be filed on or before December 27. When that is completed, our plan is to address the Appendix issue in St. George.

Thank you, and if I can be of any further help, please do not hesitate to give me or Bob a call.
