Dear honorable Court,

I am Ruby Abid, the respondent in this case (#2026-002041). Ms. Michelle Campbell (our tenant) has not been paying the agreed-upon rent under the lease agreement. When we tried to evict her, she appealed our eviction order, but the circuit court had already rejected her appeal. When the Magistrate Court/Sheriff's Office of Dorchester County was ready to evict her, she appealed to your appellate court.

We are not sure on what basis your court entertained her appeal. We believe she is using the system as a delaying tactic to extend her stay without paying any rent for as long as possible.

We have already wasted much time and money and suffered enough mental torture dealing with her. I request your honorable court to dismiss her appeal.

Additionally, if there is anything that needs to be done by me as the respondent in this case, please let me know so that we can avoid unnecessary delay.

Grateful.
