Subject: Request for Discovery

IN THE COURT OF GENERAL SESSIONS

STATE OF SOUTH CAROLINA

COUNTY OF Chester

STATE OF SOUTH CAROLINA,

Plaintiff,

Tanya Murphy

v.

State of South Carolina

Defendant.

Case No.: 2026 CP 1200 Y26

DEFENDANT'S MOTION FOR DISCOVERY AND REQUEST FOR BODY-WORN CAMERA FOOTAGE

The Defendant, Tanya Murphy, appearing pro se [through counsel], respectfully moves this Court for an order requiring the State to provide discovery pursuant to Rule 5 of the South Carolina Rules of Criminal Procedure, applicable constitutional disclosure requirements, and S.C. Code Ann. § 23-1-240(G).

In support of this Motion, the Defendant states as follows:

1. Pending Criminal Action

1. The Defendant is charged in the above-captioned criminal action with:

—

—

2. The matter is currently pending before this Court.

2. Request for Discovery

3. Rule 5 of the South Carolina Rules of Criminal Procedure provides for disclosure of evidence and other information subject to discovery upon a defendant's request.

4. The Defendant requests that the State disclose and permit the Defendant to inspect and copy all discoverable evidence and materials within the possession, custody, or control of the prosecution or that are known, or through due diligence should become known, to the prosecution.

5. Without limiting the general discovery request, the Defendant specifically requests the following:

- All photographs, videos, audio recordings, surveillance recordings, and other electronic recordings relating to the alleged incident;
- All statements made by the Defendant that are subject to disclosure under Rule 5;

d. Any evidence favorable to the Defendant or material to the Defendant's guilt, innocence, punishment, or credibility of a prosecution witness, as required by applicable constitutional law;

e. Any evidence that may be used by the State at trial;

f. Any information concerning the existence, location, or custodian of electronic recordings relating to the incident.

3. Specific Request for Body-Worn Camera Recordings

6. The Defendant specifically requests all body-worn camera ("BWC") recordings relating in any way to the incident giving rise to this prosecution.

7. This request includes recordings made by every law-enforcement officer who:

a. responded to the scene;

b. investigated the alleged offense;

c. detained, questioned, searched, or arrested the Defendant;

d. interacted with the Defendant, alleged victim, witnesses, or other persons concerning the incident; or

e. otherwise possessed information concerning the investigation.

8. The request includes the complete original recordings, including, where available, the portions recorded before, during, and after the events alleged in the charging documents.

9. The Defendant further requests any available recordings from:

a. municipal police departments;

b. county sheriff's offices;

c. South Carolina Highway Patrol;

d. SLED;

e. other state or local law-enforcement agencies; and

f. any other governmental agency involved in the investigation.

10. The Defendant requests that the State identify each recording by, to the extent available:

a. officer's name and badge/employee number;

b. date and approximate time;

c. location;

d. recording/device identification number;

e. length of recording; and

f. agency maintaining custody of the recording.

11. The Defendant requests that the recordings be provided in their native/original electronic format when reasonably available, together with any reasonably necessary software, player, or other information required to view or hear the recordings.

12. The Defendant also requests any available metadata, timestamps, audit information, or other information reasonably necessary to determine when the recordings were created, uploaded, stored, edited, copied, or otherwise handled.

4. Statutory Basis for Body-Worn Camera Request

13. Under S.C. Code Ann. § 23-1-240(G), body-worn-camera data is not a public record subject to disclosure under the Freedom of Information Act.

14. The statute nevertheless provides that a criminal defendant may request and receive body-worn-camera data when the recording is relevant to a pending criminal action, pursuant to the South Carolina Rules of Criminal Procedure or a court order.

15. The recordings requested in this Motion are relevant to the pending criminal action because they may contain evidence concerning the events alleged in the charging documents, the conduct and statements of the Defendant and witnesses, the observations and actions of law-enforcement officers, and other circumstances relevant to the prosecution and defense.

CLERK OF COURT
CHESTER CO S.C.

16. Accordingly, the Defendant respectfully requests that the Court order the State to produce all responsive body-worn-camera recordings.

5. Preservation of Evidence

17. The Defendant is concerned that electronically stored recordings may be subject to automatic deletion, overwriting, alteration, or loss pursuant to an agency's retention policies.

18. The Defendant therefore respectfully requests an order directing the State and any law-enforcement agency possessing responsive recordings to preserve all body-worn-camera recordings and related electronic evidence until final resolution of this criminal action, including any appeals.

19. The Defendant further requests that the State promptly notify the Defendant if any requested recording no longer exists, cannot be located, is corrupted, was deleted, or otherwise cannot be produced.

WHEREFORE

WHEREFORE, the Defendant respectfully requests that this Honorable Court:

- A. Grant this Motion for Discovery;
- B. Order the State to provide all discoverable materials requested herein;
- C. Specifically order the State to provide all body-worn-camera recordings relevant to this pending criminal action;
- D. Order the State to identify the officers and agencies possessing or maintaining the requested recordings;
- E. Order preservation of all responsive recordings and related electronic evidence through final disposition of the case, including any appeal;
- F. Order the State to promptly notify the Defendant of any responsive recording that cannot be produced and the reason it cannot be produced; and
- G. Grant such other and further relief as this Court deems just and proper.

Respectfully submitted,

Defendant: Tanya Murphy (at time of arrest)

Wrongful Arrest

To whom it may concern,
My name is Janya Murphy. Ms. Murphy was kidnapped on 7/9/2026 by police officers after I asked to file a report for an incident on 7/9/2026. Ms. Murphy was told she had to provide a I.D. the officer was unpleasant so I stated I'd go to file it at the jailhouse. Another officer approached and asked for would he get my I.D. to do a report, he saw my I.D. and took me in on a bench warrant. The bench warrant was never given to Ms. Murphy. Ms. Murphy has NO knowledge of a court date. Ms. Murphy has the Jury Trial Request form where she marked out the address she no longer resides and gave my P.O. B.O.K. address where I NEVER received anything to come to court so how would I show up to something unknown.

Effective January 1, 2016, Alternative Dispute Resolution (ADR) is mandatory in all counties, pursuant to Supreme Court Order dated November 12, 2015.

Supreme Court Rules Require the Submission of all Civil Cases to an Alternative Dispute Resolution Process, Unless Otherwise Exempt.

Pursuant to the ADR Rules, you are required to take the following action(s):

1. The parties shall select a neutral and file a "Proof of ADR" form on or by the 210th day of the filing of this action. If the parties have not selected a neutral within 210 days, the Clerk of Court shall then appoint a primary and secondary mediator from the current roster on a rotating basis from among those mediators agreeing to accept cases in the county in which the action has been filed.
2. The initial ADR conference must be held within 300 days after the filing of the action.

3. Pre-suit medical malpractice mediations required by S.C. Code §15-79-125 shall be held not later than 120 days after all defendants are served with the "Notice of Intent to File Suit" or as the court directs.
4. Cases are exempt from ADR under ADR Rule 3(b) upon the following grounds:
 - a. Special proceeding, or actions seeking extraordinary relief such as mandamus, habeas corpus, or prohibition;
 - b. Requests for temporary relief;
 - c. Appeals;
 - d. Post Conviction relief matters;
 - e. Contempt of Court proceedings;
 - f. Forfeiture proceedings brought by governmental entities;
 - g. Mortgage foreclosures; and
 - h. Cases that have been previously subjected to an ADR conference, unless otherwise required by Rule 3 or by statute.
5. Cases may also be exempt from ADR under ADR Rule 3(c) upon motion to and approval by the court.
6. In cases not subject to ADR, the Chief Judge for Administrative Purposes, upon the motion of the court or of any party, may order a case to mediation.
7. Application of a party to be exempt from payment of neutral fees due to indigency should be filed with the Clerk of Court prior to the scheduling of the ADR conference.

Please Note: You must comply with the Supreme Court Rules regarding ADR. Failure to do so may affect your case or may result in sanctions.
