Re: Denise P. Gambrell V. Robinson Investment Group
Transcript Status Update - Appeal
Case Number: 2026-000370

Dear Clerk of Court,

Pursuant to the requirements of my appeal, I am submitting this status update to advise the Court regarding the current status of my appeal and the preparation of my Initial Brief. Appellant respectfully submits the following:

I have continued my efforts to obtain the recording and/or other available record of the proceedings conducted in the Magistrate Court. I have not yet received the recording or a transcript of those proceedings, despite having made repeated efforts to obtain it. Approximately three months have now passed since I began attempting to secure this material.

The Magistrate Court proceedings are material to the issues I intend to raise on appeal. The recording is particularly important because it contains the testimony and arguments presented at the hearing and is necessary for me to accurately identify and address the issues presented to the lower court. I do not want to submit an appellate brief based upon an incomplete or inaccurate recollection of the proceedings.

I want to make clear that I am not seeking to delay this appeal. I have been actively attempting to obtain the necessary material so that I can prepare and file a complete and accurate Initial Brief. I will continue to pursue the recording and any other available documentation from the Magistrate Court and will proceed with briefing as soon as I am able to obtain the necessary material.

I respectfully request that the Court note this status and allow the appeal to remain pending while I continue my efforts to obtain the outstanding Magistrate Court proceeding record. If the Court requires a formal motion or additional documentation concerning my efforts to obtain the recording, I respectfully request permission to provide it.

Respectfully submitted

Denise P. Gambrell
