Dear Transcript Department:

I am writing for a second time regarding the transcripts necessary for my pending appeal in:
Richard Bowman v. Cosima MacLean
South Carolina Court of Appeals
Appellate Case No. 2026-001128
Beaufort County Court of Common Pleas
Case No. 2024-CP-07-01039

I am requesting immediate assistance concerning the complete transcripts of the proceedings held on:

February 4, 2026

April 1, 2026

The April 1, 2026 transcript was previously requested by my former attorney before his withdrawal from my case and, to my understanding, was paid for. Despite that prior request, I have never received a copy of the April 1, 2026 transcript.

I have subsequently learned that my former attorney's transcript request did not include the February 4, 2026 proceeding. My former attorney has now confirmed to me in writing that he made only one transcript request.

I therefore need to obtain the February 4, 2026 transcript and determine immediately the status of the April 1, 2026 transcript that was previously requested and, to my understanding, paid for.

This matter is particularly urgent because Respondent has filed a Motion to Dismiss my appeal based upon the transcript issue. I am proceeding pro se and am making every effort to promptly correct the transcript deficiency and obtain the complete transcripts necessary for appellate review.

Regarding the February 4, 2026 transcript, I am willing and prepared to pay the required cost immediately. Please advise me of the amount due, any required deposit, the method of payment, and any form or additional procedure that I need to complete so that the transcript can be placed into production without further delay.

Regarding the April 1, 2026 transcript, please advise me:

Whether the transcript has been completed;

Whether your records reflect payment by my former attorney or his office;

If completed, the date it was completed;

Whether it was previously delivered and, if so, the date and method of delivery and the person

or email address to which it was delivered; and
What I need to do to obtain a copy immediately.

Please also confirm in writing that this second request has been received and advise me of the current status of both transcripts.

Because a Motion to Dismiss is presently pending before the South Carolina Court of Appeals concerning the transcript issue, I respectfully request prompt attention to this matter. I am attempting to demonstrate to the Court that I am diligently taking every reasonable step available to obtain the necessary transcripts and cure the deficiency.

Please send all correspondence, invoices, payment instructions, acknowledgments, and completed transcripts to my current email address:

Anwalthelfen@pm.me

Please do not use my former email address, rbfamily@protonmail.com, as it is no longer my current email address.

My current mailing address is:

Richard Bowman

620 Sea Island Rd. #172

St. Simons Island, GA 31522

I am copying the South Carolina Court of Appeals and counsel for Respondent on this correspondence so that there is a contemporaneous record of my continuing efforts to obtain the transcripts and address the transcript issue raised in Respondent's Motion to Dismiss.

Thank you for your prompt attention and assistance. I would appreciate written acknowledgment of this request and instructions concerning the February 4 transcript as soon as possible.

Respectfully,

Richard Bowman
