RE: *Souder v. Columbia et al.*  
Case No. 2025-CP-40-07466

Dear Ms. Howard:

Please find enclosed a Notice of Appeal in the above-referenced matter. Also enclosed is a Certificate of Service, copies of the Orders being appealed, a copy of the Notice of Electronic Filing showing that this Notice of Appeal was filed with the lower court and served on all parties, and a letter regarding the continued pro hac vice representation of co-counsel. We ask that you file these documents and return file stamped copies to us at your convenience. A hard copy of this letter, accompanied by a Firm check in the amount of \$250 for the filing fee, will be placed in the mail to you today as well.

Finally, Appellant has already obtained the transcript for the hearing associated with the Orders being appealed from below. A true and correct copy of that transcript was previously served on all parties as Exhibit 1 to Appellant's Rule 59 Motion to Alter or Amend Judgment. As Appellant's Rule 59 Motion was denied without a hearing, there is no additional transcript to be ordered. Accordingly, it is Appellant's understanding that her initial brief will be due within 30 days of her serving this Notice of Appeal.

Sincerely,

Geoffrey K. Chambers  
Attorney for Appellant
