Dear Clerk of the South Carolina Court of Appeals,

I am the pro se Appellant, Evan Rayfield, in Case No. 2026-001855. I am writing to urgently request a status update on my pending Emergency Motion for Stay of Execution and Motion to Set Undertaking.

My situation has become a severe emergency. A Writ of Ejectment was executed, and my roommate and I are currently displaced and sleeping in my truck with our three dogs. My belongings have been moved to the carport, and the opposing party's agents have explicitly threatened to destroy or dispose of my property within 48 hours.

I have successfully cured the Form 7 deficiency regarding Proof of Service to the Respondent. The Spartanburg Magistrate has confirmed they will legally halt the eviction process and authorize re-entry the moment I can provide them with the signed stay from the Duty Judge.

Given the immediate threat of permanent property destruction and our displacement in a vehicle, I respectfully ask if this urgency can be brought to the Duty Judge's attention so I can provide the Spartanburg Magistrate with the necessary order.

Thank you for your time and assistance.

Sincerely,
Evan Rayfield
