Good morning,

I am writing to follow up regarding the $50 filing fee associated with my Motion for Permission to Order Transcript Out of Time Pursuant to Rules 207 and 263, SCACR.

On September 30, 2026, I mailed a $50 money order to the South Carolina Court of Appeals via USPS Certified Mail with tracking, addressed to 1220 Senate Street, Columbia, SC 29201.

This payment was submitted in response to the filing fee deficiency identified in the Court's September 30, 2026 correspondence.

Case: George Moses, III v. Fort Clark Baptist Church
Appellate Case No.: 2026-001736
USPS Tracking Number: 9589 0710 5270 3847 6240 78

Would you please confirm whether the money order has been received and applied to my appellate case, and whether the filing fee deficiency has been resolved?

Thank you for your time and assistance.

Respectfully,

George Moses, III
Appellant, Pro Se
