To: Supreme Court of South Carolina
Writ of Certiorari
Appellate Case No. 2012-212819

Dear Sir/Madam:

I am requesting this writ through the court but I would ask the Attorney General of South Carolina to do the review. The reason for this is that it would be unconscionable for a court to review itself. It would be stupid to send the same group of people, the same fact and expect a different conclusion. I want this court to ask the Attorney General's Office to give an opinion on the Statement of Issues on Appeal. If he agrees that the courts are not subject to act 30-04-10 thru 165 and not a public body then the case is over. If not then I ask this court to answer those questions. This is of great importance to the people of South Carolina for open Government. The South Carolina Court of Appeals did not answer any of the questions submitted in the unpublished opinion or even why it was an unpublished opinion, because they went contrary to Rule 215. I would ask that I get a prompt response to this writ.

ORDER

After careful consideration of the petition for rehearing, the Court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Accordingly, the petition for rehearing is denied.
