SC Court of Appeals

THE STATE OF SOUTH CAROLINA
IN THE COURT OF APPEALS

APPEAL FROM RICHLAND COUNTY

Court of Common Pleas

C/A No. 2023-CP-40-04408

Daniel Coble, Circuit Judge

Appellate Case No. 2024-001242

Kamarah Reynolds-Hall..... Appellant,

v.

Jammie Robinson, John Dixon, Dominic Hill, Joseph Hunter, Anthony (AJ)
Lawson, Javon Benson, Jahmar Brown, Cincere Scott, Jasmine Alexander-
Coleman, Holder Properties, University of South Carolina, Defendants,

of whom University of South Carolina and Holder Properties, Inc., are.....

Respondents,

MOTION TO REQUIRE THE APPELLANT TO SERVE THE RECORD ON APPEAL WITH
ALL DESIGNATED MATTERS AND EXTEND THE TIME TO FILE FINAL BRIEF

Respondent , Holder Properties, Inc. (“Holder Properties”) moves the court for an order requiring the Appellant to prepare a Record on Appeal which follows Rule 210, SCACR. The Appellant has failed to file and serve a Record on Appeal which includes all the matter designated by all the parties in a properly paginated form so that the Respondent can properly cite to the record and file a Final Brief. This matter was raised with the court in January of 2026 because this Respondent never received the Record on Appeal despite the Appellant’s claim that he served it. In reviewing CTrack, Respondent located a Record on Appeal-*University of South Carolina* filed on September 30, 2025 which contains only two documents out of the thirteen documents listed by Holder Properties in its Designation of Matter to be included in the Record on Appeal. The initial brief was filed by Holder Properties, Inc., along with its Designation of Matter on March 28, 2025. The “Record” also does not include page numbers so it is impossible to cite to an incomplete record which lacks pagination. Without a full and properly paginated Record on Appeal, Holder Properties cannot file a final brief with the court, according to the Rules of Appellate Procedure. Furthermore, until the court issued a deficiency letter to the Appellant on October 8, 2026, Respondent had no notice that the Final Brief of the Appellant, and any extraneous matters, had been filed because Appellant is not properly serving counsel of record with his filings.

For these reasons, Holder Properties, moves the court for an order requiring the Appellant to follow Rule 210, SCACR, to include all designated matters from all parties in the Record, and to extend the time for Respondent Holder Properties to file a final brief until the Appellant prepares a full Record on Appeal, properly paginates it and properly serves it on all parties.
