Dear Your Honors

SC Court of Appeals

At my sentencing I was not given credit for full time served. Pre/Plea, I was denied credit for 288 days due to my bond revocation at my guilty plea, my bond revocation was not based on a new arrest, but only on an alleged violation of my bond condition, S.C. Code Section 24-13-40(d) is unconstitutional as is in violation of the Due Process clause because it improperly infringes on a fundamental right to liberty.

Thank You
