Re: Michael and Mary Smith v. King Asphalt, Inc., Appellate Case No. 2025-001327

Dear Ms. Kitchings:

Pages 775 through 794 of the Record on Appeal are our Response to Defendant's Memorandum in Support of Summary Judgment and Arguments at the Hearing, its Certificate of Service, and the cover sheet for its exhibits. We filed them in the trial court on January 30, 2025, as three entries on the docket.

When we put the Record together, we used our own unsigned copy of these pages by mistake. Enclosed are the same pages as filed in the trial court. They are the same, word for word, but they show our signatures and the Clerk's filing stamps. They carry the same Record page numbers, 775 through 794, as the pages they replace, so no page cited in any brief changes. The exhibits that follow, Record pages 795 through 824, stay as they are.

We ask that the enclosed pages be put in place of Record pages 775 through 794. We can also provide replacement pages for the bound copy if the Court wants them. If the Court needs a motion to do this, please let us know.

Respectfully,

/s/ Michael Smith
