

The South Carolina Court of Appeals

Dr. Brian McClure, Appellant,

v.

Charleston County School District, Charleston County
School District Education Foundation, Leah Whatley,
Michelle Leber, Keith Grybowski, Carlote Bailey, and
Pamela Mckinney, Respondents.

Appellate Case No. 2026-001286

ORDER

On September 21, 2026, Appellant filed a "Motion for Judicial Notice," asking this court to take "judicial notice of the official issuance, date, authorship, and contents of the South Carolina Office of the State Inspector General's . . . publicly issued August 2026 report concerning the Charleston County School District Board of Trustees (the Report). Appellant clarifies he is not asking this court "to accept as true any reasonably disputed factual finding contained in the Report or to enlarge the evidentiary record on the merits," but rather "seeks only the [c]ourt's recognition that the Report was officially issued and that it identifies FOIA-compliance concerns, including concerns regarding improper quorums and prior warnings concerning FOIA compliance.

After careful consideration, the motion for judicial notice is denied.
